

## PROPERTY (FIRE), HEALTH, LIFE & CAR INSURANCE:

Insurance is a contract (policy) in which an individual or entity receives financial protection or reimbursement against losses. It protects from the consequences of financial loss from death, accidents, sicknesses, and damage to property, and injury caused to others (depending on the type of insurance purchased).

We recommend getting property or fire insurance, if you have bought a property in Panama; health insurance if you live in Panama; life insurance where ever you live; and car insurance if you have bought a car in Panama.

Note: Panama Offshore Legal Services (POLS) does not sell or issues Insurance Policies, we will introduce you to a professional Licensed Insurance Broker who will provide you a quotation for the insurance of your interest (please kindly select your interest):
